

ZDHC Approved* MRSL Certifiers for Verification Against the ZDHC Manufacturing Restricted Substances List (ZDHC MRSL) Version 3.1

(List Regularly Updated)

Rather than creating our own certification standard, it makes more sense to leverage those already available in the market. We do that by awarding ZDHC Approved Status. To earn approval, a standard will be thoroughly assessed. We will see how well it indicates a formulation's conformance to the ZDHC MRSL. Those listed below have earned ZDHC Approval.
