

## ZDHC Accepted\* Conformance Indicators for Verification Against the ZDHC Manufacturing Restricted Substances List (ZDHC MRSL)

(List Regularly Updated)

Rather than creating our own certification standard, it makes more sense to leverage those already available in the market. We do that by awarding ZDHC Accepted Status. To earn acceptance, a standard will be thoroughly assessed. We will see how well it indicates a formulation's conformance to the ZDHC MRSL. Those listed below have earned ZDHC Acceptance.

### Disclaimers

ZDHC has made every reasonable effort to make sure that the content and information contained in this list is as accurate and correct as possible at the time of publication, ZDHC makes no claims, promises, or guarantees about the accuracy, completeness, or adequacy of the contents of this document. In no event will ZDHC (and/or any related ZDHC majority owned legal entities) or the Directors or staff thereof be liable and ZDHC expressly disclaims any liability of any kind to any party for any loss, damage, or disruption caused:

- by errors or omissions, whether such errors or omissions result from negligence, accident, or any other cause and/or;
- from any use, decision made, or action taken or any other kind of reliance on the ZDHC Conformance Indicators by a reader or user of it and/or;
- for any results obtained or not obtained from the use ZDHC Accepted Conformance Indicators.
