About the Event

The ZDHC South Asia Regional Conference brings together industry leaders, brands, manufacturers, chemical suppliers, and key stakeholders to advance sustainability and responsible chemical management in the textile, leather, apparel, and footwear industries. The conference serves as a platform for collaboration, knowledge sharing, and showcasing innovative solutions that support sustainable transformation across South Asia.

The full-day conference features keynote sessions, panel discussions, expert presentations, masterclass and networking opportunities with leading voices from across the global industry. As a hybrid event, the conference is also streamed live through the ZDHC Virtual Environment, extending its reach to an international audience.

For sponsors, the conference provides a valuable opportunity to connect with influential decision-makers, strengthen brand visibility, and demonstrate leadership in sustainability and industry innovation.
